Editing a game element in GT Mobile.

The screenshot shows the GT Mobile interface. At the top, there is a purple header with the GT logo and the time '6:53:00 PM'. Below this, the breadcrumb path is 'Demo Account Baseball > Game 1 > Pregame > 6:53:00 PM'. The 'Visitor Lineup' element is highlighted with a purple arrow icon. Below it are 'Add New' and 'Well' buttons. At the bottom, there are several hyperlinks: 'Paint the Plate Person Segments', 'Time Frames', 'Production Schedules', and 'Team Profiles'.

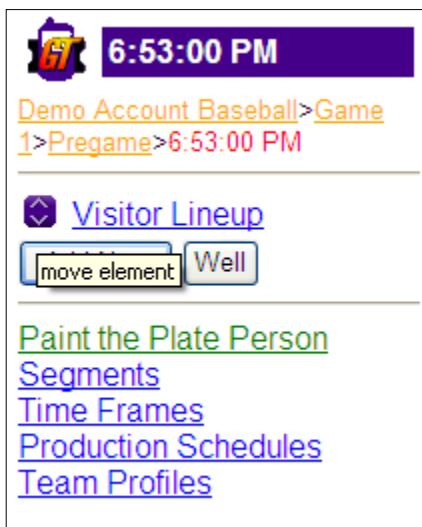

- Click on the desired element
- The GT Mobile element editor displays
- Make necessary changes
- Click Save
- All perspectives in GO LIVE update in real-time to view changes
- Notify, ignore and delete are also editing options in GT Mobile

The PA Script field automatically displays when the element is selected in GT Mobile. All other tabs and fields are editable by clicking the desired links (ex: Audio, Video, etc.).

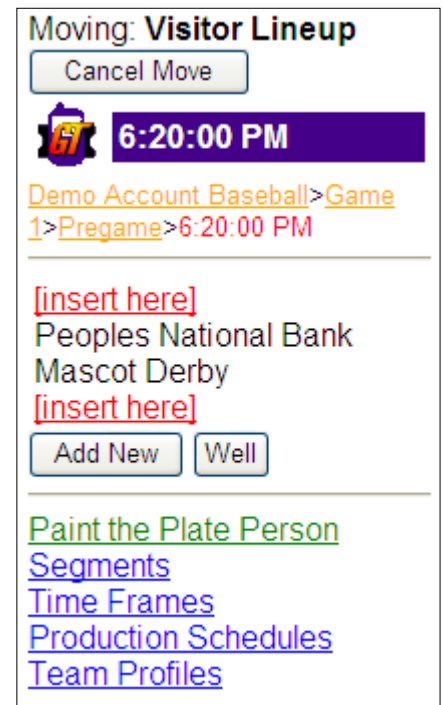

The screenshot shows the 'Visitor Lineup' editor. At the top, there is a purple header with the GT logo and the time '6:53:00 PM'. Below this, the breadcrumb path is 'Demo Account Baseball > Game 1 > Pregame > 6:53:00 PM > Visitor Lineup'. The 'PA Script' field is visible, containing the text 'Now introducing the visitor team, the Brewers starting with the'. Below the text are 'Notify' and 'Ignore' checkboxes, and 'Save' and 'Delete' buttons. At the bottom, there are several hyperlinks: 'Audio1|Main Video Board|Talent [more]', 'Paint the Plate Person Elements', 'Segments', 'Time Frames', 'Production Schedules', and 'Team Profiles'.

Moving a game element in GT Mobile.

The screenshot shows the GT Mobile interface. At the top, there is a purple header with the GT logo and the time '6:53:00 PM'. Below this, the breadcrumb path is 'Demo Account Baseball > Game 1 > Pregame > 6:53:00 PM'. The 'Visitor Lineup' element is highlighted with a purple arrow icon. Below it are 'move element' and 'Well' buttons. At the bottom, there are several hyperlinks: 'Paint the Plate Person Segments', 'Time Frames', 'Production Schedules', and 'Team Profiles'.

- Click the purple arrow icon to the left of the desired element
- When hovering over the purple arrow icon "move element" will display
- The "Insert Here" options will display
- Click to the desired position in the production schedule and insert the element by selecting the "Insert Here" hyperlink
- To cancel, simply click the Cancel Move button

The screenshot shows the 'Moving: Visitor Lineup' dialog. At the top, there is a purple header with the GT logo and the time '6:20:00 PM'. Below this, the breadcrumb path is 'Demo Account Baseball > Game 1 > Pregame > 6:20:00 PM'. The 'move element' button is visible. Below it are 'Add New' and 'Well' buttons. At the bottom, there are several hyperlinks: 'Paint the Plate Person Segments', 'Time Frames', 'Production Schedules', and 'Team Profiles'.

Hint: When moving an element, the current segment will open first. If the desired location is not in the current segment, follow the hyperlinks to the desired segment and insert the element in a new location.

GT Mobile

Adding a new game element in GT Mobile.

- Click the Add New button
- A New Element screen displays
- Enter Element Name and select the element Type
- Click Add Element
- Insert New Element in desired location
- Click on New Element name to edit
